Active Learning Certification

Two options:

- Active Learning Institute
- DTEI Consultation and Observation

To get started, faculty should:

- Complete the interest form
  anteaterlearningpavilion.ovptl.uci.edu/scheduling/
- Or, contact DTEI
  dteidevelop@uci.edu

Important Notes on Scheduling

Room requests should be submitted before first deadline for full consideration

Other priority criteria will still apply

Instructors do not need to be certified prior to room assignments, but do need to have selected a certification option

Not all Active Learning Classrooms are designated for priority scheduling
